

### Navigating The MBTA While Wollaston Station is closed

Using public transportation in college can be a challenge for students. Luckily, ENC is a commuter friendly location with multiple ways to arrive to and from campus. Here is a breakdown of all the ways commuters can navigate the MBTA.

#### MBTA Buses Coming From Boston

There is also an evening ENC shuttle bus that starts at 5pm and runs until 10pm. The shuttle will arrive at the Wollaston CVS every 15 and 45 minutes after the hour and return to campus at the start of every hour. If you are in need of shuttle service call ENC Security and a shuttle bus driver will come pick you up in the Wollaston CVS parking lot.

For Friday nights after 9pm and weekends, there will be no trains going from North Quincy to Braintree. Shuttle buses will replace the Red Line until October 21, as the Quincy Center parking lot is being renovated.

For anyone that takes the Red Line or Commuter Rail into ENC, keep in mind that that shuttle buses will replace the red line from North Quincy to Quincy Center. The Red Line shuttle buses come approximately every 15 minutes.
